

Declaration of a 15 year Guarantee

KME Germany AG & Co. KG
Klosterstrasse 29
49074 Osnabrück
GERMANY

hereby guarantees

to

SECPRAL
Str. Viad Tepes No. 2
3400 Cluj-Napoca
ROMANIA

a 15 year guarantee for the following Goods:

- plain SANCO® copper tubes
- plain Yorkshire® copper tubes
- coated WICU® copper tubes
- WICU® flex
- WICU® clim

Liability

In the event that, during a period of 15 years from the date of purchase by the installer, tube failure or other damage occurs when the installer's customer uses the goods, as a direct consequence of:

- manufacturing defects in the goods; or
- material faults in the goods; or
- failure to comply with the prime requirements of the national/international standard engraved on the goods.

KME Germany AG & Co. KG undertakes:

- to replace such faulty or defective goods free of charge;
- to pay the installer his reasonable charge for removing or replacing such faulty or defective goods according to the German warranty law.
- to accept responsibility for the costs of remedying the said damages to persons and property for which KME Germany AG & Co. KG is legally liable according to the German tort and product liability law.

Obligations of the Installer:

It is a condition precedent to the coming into effect to this guarantee that the Installer shall:

- ensure correct installation and assembly of the relevant pipe system in accordance with such technical rules and local codes of Practice as are valid at the time of installation;
- immediately implement all necessary measures to reduce damage;
- written notification of the fault to KME Germany AG & Co. KG, Klosterstrasse 29, 49074 Osnabrück, Germany as soon as practicable after the fault, defect or damage has become apparent, filling of a photo-optical documentation;
- Submission of the defective good to KME Germany AG & Co. KG for inspection;
- Detailed proof of already incurred / foreseen costs for the repair.

KME Germany AG & Co. KG reserves its right to request further information and documentation for the fixing of the damage.
